

South Central Minnesota Soccer Officials Association

Supplemental Travel Fees for Section 2A Playoffs, 2020

Instructions for officials: Some of the schools in the Section 2A tournament are located in cities that do not appear on SCMSOA's voucher. When you officiate a playoff match at one of these cities, submit this form to the host school along with your completed voucher.

SCMSOA travel fee policy: All officials receive payment for travel to and from game sites in school districts other than those where they live, provided that such travel is not part of their regular commutes to work or classes. Travel fees compensate officials for their time, not their mileage. Fees apply per trip, not per game, and only to travel that exceeds 30 minutes round trip.
